

Girl Med Live

November 2-4, 2018

Magnolia Hotel Dallas Downtown

Girl Med Media is a non-profit dedicated to women in medicine. At Girl Med Live, we will address gender gaps for women in medicine. Our accomplished speakers will demonstrate evidence-based techniques to help women advocate for themselves, manage situations beyond their control, and identify supporting allies. Our activities include opportunities for women to lift and amplify each other. Learn how women in medicine can reclaim their lives and careers at the Girl Med Media conference!

Program Highlights

- Career-advancing talks by accomplished speakers
- Dedicated events to expand your network
- See website for CME details
